7

Prevention

RESTORATION IN PROGRESS
LAKE TAHOE ENVIRONMENTAL IMPROVEMENT PROGRAM

continuing the commitment

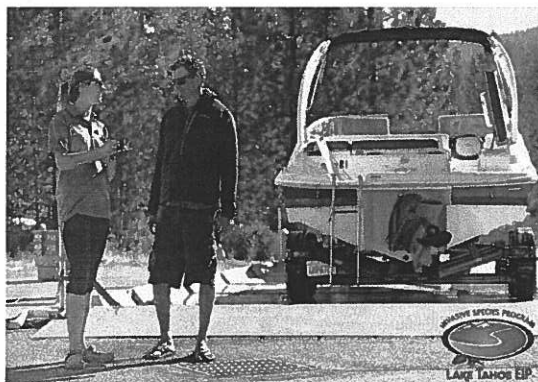

8

Prevention

2018 Motorized Watercraft Inspections

- 9,367 inspections
- Most boaters arriving clean, drained, and dry
- 40+ boats intercepted with known AIS

RESTORATION IN PROGRESS
LAKE TAHOE ENVIRONMENTAL IMPROVEMENT PROGRAM

continuing the commitment

2018 Achievements

- No new AIS detections
- Regional coordination and leadership
- Mobile application for seal inspections
- 10 Year celebration!
- Partnerships!

RESTORATION IN PROGRESS
LAKE TAHOE ENVIRONMENTAL IMPROVEMENT PROGRAM

continuing the commitment

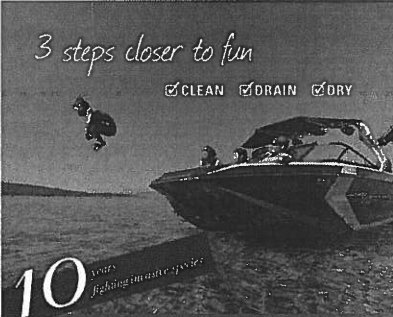

2019 Priorities

- Inspection station improvements
- Continued regional coordination
- Mobile application
- Boat industry
- No New Invasions!

3 steps closer to fun

☑ CLEAN ☑ DRAIN ☑ DRY

10

years helping the water stay clean

Take three steps closer to fun— Clean, Drain and Dry watercraft before arriving at a Lake Tahoe inspection station. A friendly, certified inspector will ensure your boat is free of invasive species and get you and your family on the water. Lake Tahoe is a national treasure. Help protect it.

Program Costs are Increasing

- Finding and retaining quality inspectors
- Efficacy of program relies on experienced and qualified inspectors
- Equipment modifications and upgrades necessary to keep pace with watercraft technology.
- Continually and actively seeking outside funding sources

12
