

TRPA REGIONAL PLAN IMPLEMENTATION COMMITTEE  
JANUARY 22, 2019

Agenda Item No. 4  
Amendments to TRPA Code Chapter 84 for Stream-Mouth Protection Zones

Errata Sheet

**BACKGROUND**

TRPA staff identified an error in the heading note for the proposed ordinance amendment text. The note states, in error, that red strikethrough text represents text to be *added*, while blue underlined text represents text to be *deleted*. These were inadvertently reversed:

- Red strikethrough text actually represents text to be deleted.
- Blue underlined text actually represents text to be added.

**CORRECTIONS**

The heading note in Attachment A, Exhibit 1 is replaced with the following:

Text to be deleted shown in ~~red with strikeout~~.

Text to be added shown in blue with underline.
